Re: Delta Mine  
ACT/015/020

Dear Mr. Frandsen:

The Division has reviewed the August 11, 1978 amendment to the tentatively approved mining and reclamation plan for the Delta Mine located in Section 9, Township 26 South, Range 9 East, Emery County, Utah. The Division finds that the amendment does not require publication and the requirements of Section 40-8-18 of the Utah Mined Land Reclamation Act have been met.

The \$7,440.83 bond as estimated on June 5, 1978 includes the sealing of two portals. Therefore, no adjustment of the bond is necessary.

Final approval cannot be issued until the bond agreement and the bond are received.

Sincerely,

*K. Michael Thompson*
